MANDY ALEX & TITUS

I'm getting ready for my upcoming fuck session. The guys are chillin', rubbing up themselves preparing for me, the feisty MILF. I like more than their cocks, but their bodies, too. They don't have to be really buffed. A guy is pretty vulnerable when you've got his cock in your hands or mouth. I like to let them know it, or they can go.

Hike and Hump

I thought it was real lame to go hiking along the Appalachian Trail with my buddy for a week until I saw the cute blondie hiking on the trail like us. She wore khaki shorts, a tight T-shirt that emphasized her firm tits, and expensive hiking boots. Sexy! We smiled at one another as we passed, and that was pretty much it. Or was it?

That first night, I crawled into my sleeping bag early and was falling asleep when I heard the rustle of material, then the sound of a zipper being pulled down. The next thing I knew, someone slipped into my sleeping bag on top of me. I didn't need to see her face to know it was the girl I'd spotted earlier in the afternoon. She was naked, grinding her groin against mine. She tugged my shorts down to my ankles, and as she inched back up my legs, she wrapped her mouth around my dick and started sucking.

I gasped! This wasn't what I'd expected, but hey, I wasn't about to push her away. Her tongue curled around my dick, flicking against the engorged head, lathering up the tip. God, I was ready to blast her already. My hips moved involuntarily as I pumped her face.

Grabbing her head, I pressed her face against my nest as she deepthroated me. Oh, my god, she was good. This girl could suck chrome off a battleship... if they had chrome. The most incredible sensations rolled through me. At 41, I wasn't the most experienced guy, having been married to one woman for a long time. This girl had to be half my age, but she knew a hell of a lot for her age.

I reached down and grabbed both her tits and squeezed hard, feeling the nipples blossom under my hands. She moaned

around my shaft, and nibbled on the underside. The tip of her tongue wiggled against my piss-slit like it was trying to worm itself inside.

"Oh, yeah, baby, I want you to suck me dry," I whispered.

She bobbed up and down on my hefty piece of meat—I'm a good eight inches long and pretty damned wide—and she whimpered as I shoved my sausage deeper into her mouth.

"Yeahhhhh," I grunted, grabbing her hair around one hand. I tweaked her nipples, pinching them so they grew taut. I tugged at those nips like I was milking her, and she loved it. She started moaning faster, and that's when I realized that with her free hand she was rubbing herself. What a turn-on—her head bobbing up and down on my pole, her hand diddling her clit!

Then she did something no other girl had ever done with me—she wormed her forefinger right up my ass and pumped it in and out while she sucked my dick. The two sensations proved overwhelming. I let loose. My sticky spunk blasted out of my hot rod, and she slurped and swallowed all she could as it squirted down her throat. Finally, my hips finished thrusting, and my spent dick oozed out of her mouth.

"That was incredible," I panted, fumbling for my flashlight and switching it on.

The blonde rested her head on one arm and grinned at me, the light reflecting off her bare skin. She looked good enough to eat!

40+ #11

40+: Hi Richelle. I'm glad we have this time together. I understand you're an East Coaster originally, but now living the West style.

Richelle: True. I've been out here for a while and in the biz for more than a decade.

40+: That's hard to believe. The decade part...

Richelle: True. But this is the best

"I'm Jerry," I managed to croak, utterly turned on again by this beautiful naked girl. I kept thinking: It's got to be a dream!

"I'm Nicole," she whispered. "Did you like my present?"

"Oh, yeah, baby, I loved it!"

"I think you ought to give me a present, too—after all, today is my twentieth birthday."

"Wow, Nicole," I said, utterly impressed by her skill. "You're fantastic!"

"Thanks. You're not bad yourself." She sat up, and I stared at her bare tits—full, firm boobies with wide nubbins that were bright pink, thanks to my manhandling.

"How long you gonna be on the trail?" I asked.

She shrugged. "Bout a week. You?"

"Same." We grinned at one another. "I think I know how we can pass the nights. And now... about that present."

I pushed her back down onto the sleeping bag. God, she was just so gorgeous, I didn't know what to fuck first...that cute little shaved pussy or her heart-shaped ass.

up her butt. She gasped as I invaded her sweet tight ass, and then she really got into it as I fucked her with long, slow strokes. Finally, she cried out, demanding that I come in her ass. I pumped furiously, blasting her insides with my cum, until I didn't have a drop left.

I fell back onto the sleeping bag, and Nicole, that hungry little slut, got herself into the 69 position. I ate her honeyed pussy out while she coaxed my dick back to life. God, it's great to be twenty and have rechargeable batteries!

— Jerry, New York

Wet and Willing

We were the last two out there. She was lying by the hotel pool in her bikini, and I was swimming down at the deep end. "How about a late-night swim?" I yelled, and she took off her shades and dived in the water.

"Wow," she said, as she swam toward me, "Isn't the water hot?"

I didn't need to answer. She was already undoing her bikini top and pushing her briefs down her legs. She swam away from me naked, flashing me her pussy every time her legs spread. I chased after her and caught her in the shallow end.

time for me. I'm getting more booking now than ever before.

40+: *And why do you think that is?*

Richelle: Well, I think I've made myself more available. I used to take only a few jobs and was pretty unsure of myself and where I was headed. Too young. Now, I feel so much more confident and, I think, it shows in everything I do, especially when it comes to sex.

40+: *I understand, but what exactly do you mean?*

Richelle: What I mean is that earlier I was timid, and intimidated, buy the shoots. All the

I turned her over and started licking her twin globes, letting my tongue linger in her crack.

Nicole moaned and twitched her butt. I reached down to her pussy, grabbed some of that girl-butter, and slathered the musky stuff against her bunghole. Then I took my dick, which was already stirring to life again, stroked it a few times, and poked it

I grabbed her by the hand and drew her into my body. She immediately wrapped her thin thighs around my waist, and I felt her chest push up against mine. Her tongue started licking its way around my lips, so I opened my mouth and let her tongue-kiss me deeply.

I groped at her tight butt and shoved my fingers between her legs. Even in the water, I could tell that her pussy was getting sticky. The thought of her juices made my cock get hard, and she could obviously feel it pressing against her pussy. Eager to get my cock inside her, she unwrapped her legs and pulled down my shorts.

We were now both naked. I knelt down in the shallow water and let her wind her legs around my midriff. Her wet pussy pushed against my stomach, and her perky tits brushed my mouth. I kissed her brown nipples as she jiggled the tit in my mouth and started running her hands up and down my back.

She couldn't get enough of my body, and I couldn't get enough of hers. My cock was aching to snuggle inside her pussy, so I lifted her body up into the air and lowered her onto my erection. The water made it easy for me to penetrate her. I shoved my cock fully into her pussy, then let the gentle lap of the water make her body bob up and down on it.

She winced as my cock filled her pussy that first time. Although she was wet and well lubricated, it was still a tight fit inside her, and it suddenly crossed my mind just how young she looked for thirty-plus. The water had rubbed off her make-up and made her hair go all flat, which made her look even younger.

Her tiny fingers groped my butt and fingered the crack between my butt-cheeks. I could feel her pussy squeezing my shaft as I gripped her waist and slowly started fucking her. I could hear the sound of my breathing quicken as I started to fuck her hard. She was letting out sexy little grunts with every forward jerk.

Suddenly I wondered if anyone could see what we were up to. We were fucking

in a public place, after all. Luckily, no one interrupted us. Her arms wrapped tightly around my back while I picked up the pace. I gave her my full length, withdrew until I almost pulled right out of her, then shoved my cock quickly back up her. She shuddered deep inside when I plugged myself fully into her tight slot.

I looked into her eyes and saw them close as she savored the sensations that began to overwhelm her. Her nails bit into my bare flesh when she started to come. Her body began to rock from the spasms electrifying her pussy, and the extra charge that it gave my cock sent an urgent message to my balls. Wrapping my arms around her, I felt the cum pour from my cock. Her body kept on shaking as her pussy went into a series of convulsions that sent a tidal wave of juices into the pool.

My cock was still tingling and releasing spunk. My juices mixed with hers and dirtied the clear blue water. I kissed her on the mouth and could actually feel the vibrations going through her body in the sensual way her lips trembled and shook. Slowly, she unwound her legs from my torso and swam back to the deep end. I watched as she climbed out of the pool nude, picked up her towel, and vanished into the hotel.

She disappeared so fast that I was left feeling like a sailor lured onto the rocks by a mermaid, only to have her vanish as soon as he got up close. But mermaids aren't real, and this girl sure was!

— Evan, California

action, the lights, the people. I only had sex in private, so that was hard getting used to. Now, after a few years and a lot of shoots under my belt, I'm as comfy as I'll ever be.

40+: *Not to be too obvious, but do you think your boobs have helped.*

Richelle: *(laughs)* Damn right they have. And I've used them for every advantage I could get. Why else would they call me the "heart breaker"?

My husband departed and I was alone for many years. I was caught up in misery when one day my neighbor sat me down and talked to me. He made me feel better and after a few weeks we slept together. And it was nice for many months until he said that there's a young guy at his office that's pretty sexually liberated. He suggested a three-way.

I wanted to do a pictorial for this magazine. They set me up with a photographer, and I called Bill to join me. He's a great fuck, and always ready to do so. He agreed and we did this really hot shoot. Hope you like it, we sure did. And we got to lick the spatula, too.

Vannah

I admit I was late, again, for a photo shoot. I didn't get up on time. I was up too late and didn't want to leave the house. I was just too tired after partying all night, but if they could do the shoot here at my house, I would be ready. And when they said I'd be working alone, I slowly got ready, and wet, before they even got here.

I LOVE MY ALONE TIME – WITH YOU!

a rich dessert

A caterer's client is her tastiest dish

Sometimes I wonder if my interest in the sensual was what led me to become a caterer—after all, most people seem to enjoy fine food for the same reasons they crave good sex. Both offer a treat for all the senses. When I'm with another girl, I like to savor every aspect of the experience: the way she looks and the way she feels against my skin are only part of it. The scent of her skin and the taste of her special oils against my tongue are equally intriguing to me.

Maybe it wasn't strictly professional, but from the moment I met her, I noticed what a powerful effect Maddie had on me. She was about my age—30—and she'd hired me to prepare a special reception and dinner for her parents, who were about to celebrate their fiftieth anniversary. She came to my office several times to plan the menu and go over the details for the party, and with every visit, I found myself fantasizing more and more about what it would be like to touch her, kiss her...gently run my hands over and between her thighs....

The day before the party was supposed to take place, I decided to seduce her. My reasoning was that even if she were shocked or offended, it would be too late for her to fire me and find someone else to do the cooking. And if she was receptive to my feelings, we could get together before, after, and maybe even during the festivities.

It wasn't hard to come up with a ruse to get her to meet me alone. That afternoon, I dug out some of my most appetizing gourmet recipes, spent hours preparing a meal that would melt in her mouth, then called her and suggested she come and sample some dishes I wanted to include in her menu—at no additional fee, of course. Since it was almost dinnertime anyway, she arrived smiling and hungry—though prob-

ably not as hungry as I was for her by then.

"I really appreciate the time you've put into this job," she said as I escorted her to a seat at my elaborately laid-out table. "I wanted it to be special for my parents, and now I know it will be. So thank you."

"I promised you complete satisfaction," I joked, trying to ignore the tremor that coursed through my lower body when her arm brushed against mine. "I don't intend to give up until I've fulfilled that goal."

Maddie was smiling thoughtfully while I poured us each a glass of wine. If she suspected what I was up to, though, she didn't give me the slightest clue. Either she was totally naïve, or she was playing the same game I was.

We made casual conversation while we ate and drank. She couldn't stop complimenting me on the food, and her friendliness and the wine began to go to my head. Taking a deep breath, I decided to steer the conversation toward potentially treacherous waters.

"I think it's great that your parents have been together 50 years," I said, toying with my glass. "Relationships just don't seem to last that long nowadays."

Maddie laughed. "Tell me about it. I've sure had my share of disasters."

"Me, too," I admitted. Suddenly, I decided to blurt everything out and let the parsley sprigs fall where they may. "But I haven't given up hope that...that the right woman is out there for me somewhere."

To my relief, Maddie's grin never faltered. "I'm sure you're right." She raised her glass to me in a mock toast. "In fact, she might be a lot closer than you think."

That was when it happened. Our glasses touched...and then our lips.

I found myself fantasizing more and more about what it would be like to touch her, kiss her... gently run my hands over and between her thighs...

I had no idea how many girls—if any—Maddie had been with, but it quickly became clear that she had no inhibitions about responding to me. She traced her tongue over my lips gently, then more urgently, before breaking away and nuzzling her mouth against my neck. Her tongue skidded along my throat while I carefully unbuttoned her sweater vest and blouse. Imitating me, she eased both hands up under my own shirt and kneaded my hardening nipples.

Moaning, I arched my back and forced my tits against her fingers, shrugging out of my top at the same time. Reaching for her, I clamped my fingers around the little buds of her hard nipples and played with them until she gasped with pleasure.

I was in a daze of passion and need as Maddie got up from her chair and drifted over to the sofa, pulling me along with her. I had the presence of mind to bring my wine glass along, though, and I set it down on the end table just before Maddie guided me on top of her.

It seemed to take long, agonizing hours for us to undress each other, though in reality I guess it was only a few minutes. When we were naked, I ran my hands up over her thighs, just like in my fantasy, and tentatively brushed my hand over her bush. I felt its outer muscles contract with arousal, and a blush spread over her creamy thighs.

She didn't pull away when I poked my fingers into the lush, wet spot nestled between her reddish-blond pubic curls. I kneaded her slowly, gently, but with increasing desire, until she was shivering with need.

Carefully, without ever dislodging my fingers from her pussy-lips, Maddie pivoted around so that her face hovered just above my pussy. I almost sobbed with pleasure when she extended her tongue and licked gingerly around my bush, barely touching my hairline. Her teasing was turning me on beyond belief!

Hoping to get her as close to the breaking point as I already was, I parted her pussy-lips with my fingers and began rubbing her engorged clit with slow, deliberate, clockwise motions. Then, at the same cautious pace, I stretched out my first two fingers and, with my thumb keeping the pressure on her swelling clit, slid them up into her. Her little mewls of pleasure stopped suddenly, and I heard her breath catch in her throat as a wave of much more intense excitement crashed through her.

As I'd hoped, Maddie began to pick up the pace. She snuggled her mouth against my

pussy the same way she'd nuzzled my neck, her full lips dancing over and around my hot bud. At the same time, her tongue tip sought my oozing slit.

I cried out when she pushed her tongue inside me, and I felt my pussy release a virtual waterfall of liquid lust. She continued to flick it against my contracting pussy-walls like a writhing sea serpent working its way into a flooded cave. Struggling to keep my orgasm at bay, I went to work on her with renewed passion, thrusting my fingers in and out while I angled my head toward her pulsating pink folds.

At that point, I remembered my wine. Luckily, I was just in the right position to reach out and grab it without interrupting the flow of our lovemaking. Trying not to shake with raw, impatient need, I tilted the glass and let the rich, red fluid trickle down into her pussy.

The juxtaposition of hot flesh and cool wine had just the effect I wanted; Maddie suddenly bucked her hips and moaned into my pussy with such force that I felt the vibrations rush all the way down to my bare toes.

"Mmm, yes, oh, that's so nice," she gasped against my heaving bush, and with that encouragement I dived headfirst into her sweet, wine-covered pussy-lips. The heady scent and tangy flavor of rich berries mixed with musky girl-juice flooded my nose and mouth as I licked, sucked, and guzzled her nectar. It was by far the most spellbinding recipe I'd ever come up with! In no time at all, Maddie was writhing and twisting underneath me, a whole series of climaxes going off inside her like a string of fireworks.

At the same time, her mouth ground down against my own pussy, setting off a second,

I cried out when she pushed her tongue inside me, and I felt my pussy release a virtual waterfall of liquid lust...

Struggling to keep my orgasm at bay, I went to work on her...

even more powerful explosion between my thighs. The two of us writhed and twisted together, moaning and gushing sex-syrup all over one another, practically tipping the sofa on its side in our excitement.

As with the undressing, in one way our dual orgasm seemed to go on forever, and in another it was over all too soon. We rested a little, our sweaty bodies pressed up against one another, our lips lazily trailing over one another's overheated skin.

"That was wonderful, Kate," Maddie told me, her lips curving into a smile against my thigh. "The dinner, you, everything...and I think I liked the wine the best."

"I enjoyed that, too," I said, laughing at my own powers of understatement. I shifted a little to let her up, which she didn't seem to feel like doing just yet. When I offered her both hands, though, she reached out and took them. "I spent a long time planning this little interlude, you know," I told her with a grin. "I don't want you to think I forgot dessert."

Intrigued, she followed me back to the table, where I cleared a space large enough for her to lie down on. She settled herself on her back with her bare legs hanging over the edge and her spread thighs nestled among the plates and elegantly folded napkins. I made her wait there, naked and flushed, while I disappeared into the kitchen and returned with two bowls. One contained the satiny chocolate mousse I'd prepared just for her, and the other was filled with hand-whipped cream.

Reaching into the pudding bowl first, I brought a generous helping to her mouth and shuddered with pleasure while she sucked it off my fingers, one at a time. Then, while she lay back with her eyes half-closed, I smeared her body from her rigid tits all the way down to her even more rigid clit. I even spread some down between her thighs, leaving her bush sticky with the rich concoction. Already she was murmuring with excitement, swishing her hips back and forth on the tablecloth, trying to entice me to lick her clean. However, I wasn't quite ready for that yet.

Next, I put my chef's training to good use by decorating her with a whipped-cream design that would have left even the pickiest pastry expert open-mouthed with envy. Fluffy white peaks covered her from her tits to her bent knees, with special attention given to what I considered her most appetizing areas. Every now and then, of course, I paused to smear her lips with just a taste of what was to come. She

lapped at my hand greedily, sucking down the mousse and whipped cream with a frenzy that was motivated by more than a sugar craving.

She was so excited by then that she could hardly stand it. Finally, when it looked like she was about to come without even being touched, I used my cream-dipped fingers to circle the tender front of her mound and bring her steadily to the edge. She squirmed against my hand as pangs of pleasure began to spread visibly through her.

Keeping my first two fingers on her clit, I bent down and plunged my face against her, my tongue sliding deep inside the cream-lathered hole. She began to rock up and down on the table, the thrust of her hips growing more urgent, and I felt the warm juices spurt from the depths of her cavern to wash away my home-made concoctions.

It took about three deep plunges of my tongue before she came. This time, it was one long, drawn-out orgasm that gripped her, not the series of tiny ones she'd experience before. It tore through her with such fury that the muscles of her pussy nearly crushed my hand as her body imploded with incredible strength. Overpowered by her own response, Maddie sagged against the table while I licked her pussy clean of juice, mousse, and liquefied cream!

Afterward, I lapped up all the rest, too, savoring every taste of mousse that I scoured from her flesh.

"Will you teach me to cook like you do?" she asked weakly, smiling up at me when I finally finished up.

"It would be my pleasure," I said in all honesty. Our first lesson, I hoped, could take place right after the party tomorrow.

I made her wait there, naked and flushed, while I disappeared into the kitchen and returned with two bowls.

One contained the satiny chocolate mousse I'd prepared just for her, and the other was filled with hand-whipped cream.

I think guys like fucking a smaller woman in a three-way. It's a lot easier to man-handle me and put me in the positions they want. Plus, they're likely to have a tighter pussy and ass and the guys really like that. For me, the bigger the guy is the better, because he'll rub my insides much better and I like that.

**Liza
& Sunny**

I had only been with Sunny one time before and it was wonderful. I remember he made me cum three times and that was before he shoved it in my ass! Now, I'm ready for that again. I expect he will be on his best behavior, and I'll be on my baddest.
